John Paul Ryan

Curriculum Vitae

Education

2016–2018 **MS in Robotics**, *Robotics Institute, Carnegie Mellon University*, Pittsburgh. Beginning in Fall 2016

2012–2016 **BA (Honors) in Mathematics and Computer Science**, *New York University*, New York, *3.86/4.00*.

Magna Cum Laude, Phi Beta Kappa,

Math GPA: 3.92, Computer Science GPA: 3.94, Physics (Minor) GPA: 3.92

Academic Achievements

- Computer Science Prize for Academic Excellence NYU Department of Computer Science
- o Perley Lenwood Thorne Medal in Mathematics NYU Department of Mathematics
- o Presidential Honors Scholar NYU College of Arts and Science
- o Dean's Honors List (all four years) NYU College of Arts and Science

Research Experience

Summer 2016 Courant Institute, Advisor: Miranda Holmes-Cerfon, New York, NY.

In progress - we are using computer simulations to investigate the dynamics of rolling spheres in a cylindrical dish driven by a circular, periodic motion.

August 2015 Courant Institute, Advisor: Chee Yap, New York, NY.

Worked on a soft subdivision search algorithm for robot motion planning for disc, triangle, and link robots. Wrote animation in C++ using Qt Creator and OpenGL. See video demonstration on website, under Research.

June - July **Auburn REU in Algebra and Discrete Mathematics**, *Advisor: Peter Johnson*, 2015 Auburn, AL.

Spent two months intensively studying algebra and discrete mathematics, especially open and accessible problems. Achieved results in several open problem areas related to abundancy indices and integral distance graphs. See publications below.

Teaching Experience

Fall 2015 - Spring 2016	Department Tutor for CS102 - Data Structur	es NYU Department of Computer Science
Fall 2015	Grader for CS102 - Data Structures	NYU Department of Computer Science
Spring 2015 & 2016	Volunteer cSplash Lecturer	Courant Institute
Spring 2015	Department Tutor for Calculus I-III and Linea	ar Algebra NYU Department of Mathematics
Fall 2014	Grader for Calculus III	NYU Department of Mathematics
Fall 2013 - Fall 2014	SAT Prep Teacher	Kaplan Test Prep

Relevant Skills

Computer C/C++, Java, Python, MATLAB, JavaScript, PHP, HTML/CSS Languages:

Spoken English, Spanish, some Italian

Publications

Languages:
